Help Ring Those Freedom Bells Wherever You Are On July 4th

Enthusiasm continues to mount over the announcement of the Ringing of the Bells in celebration of our independence on Monday, July 4th at 2 p. m. Arthur Wells, Jr., Vice President, Everglades Association of Life Underwriters, reported increasing interest in all Glades communities, including Clewiston, since the story of last week in the Belle Glade Herald. Bells will be rung continuous for four minutes.

The Life Underwriters, sponsors of the program, have made contacts in all of our Glades areas including city groups, churches and among many and all citizens. The time set for the pealing of the bells is 2 p. m. Eastern Standard Time since this is about the time the Continental Congress concluded their declaration of Independence on July 4th, 1776. It is felt that it was at this moment the Liberty Bell pealed forth the news to the people of Philadelphia of the signing.

Mr. Wells urges all people in the area to join in this Bell Ringing program, wherever they may be, by whatever type bell is available. "Help to instill in the hearts of every American the meaning of this 190th anniversary of the birth of our Freedom," Mr. Wells emphasized.

City Hall Briefs

Junior Chamber President Doug Jones appeared before the city commission asking for a twenty year lease of two acres of land lying between the rock pit and the Little League baseball field at an annual rental of \$1.00 per year. The JC's plan to construct a club house there and landscape this unightly area. The city attorney was instructed to draw a proposed lease for future consideration.

A letter was read from Monsignor Jaurist thanking the commission for the installation of a blinker light at the intersection of Avenue G and South Main Street at the corner of the Catholic Church property.

Subject to approval of the Florida Health Department the construction of an elevated water tower on lots owned by the city in the Belle Glade terminal area was approved. This is necessary because of the increased use of water by commercial firms.

It was generally agreed that inequalities in sewerage rates should be removed as a result of recent studies. Some individual rates will be lowered and others raised but the overall revenue is not expected to be affected.

David Hill, 601 S. 13th Street was named alternate member of the City Service Board and Oris W. Walker, 1216 S. W. Avenue B was named as alternate member of the Board of Adjustments which makes recommendations concerning hardship cases in which the zoning under the Zoning Ordinance are indicated.

Departments heads are asked to pass on items for CITY HALL BRIEFS to the City Manager's Office by Tuesday of each week. The Herald believes that the community at large will look forward to reading these items.

Probe Underway On Poverty Program Grant Proposed For Legal Service To Migrants

In South Bay—

Resignation Accepted, Appointments Made

The resignation of Police Chief O. J. Senecal was accepted by South Bay city commissioners at the regular meeting of the commission on Monday night. Following the acceptance and on the recommendation of Mr. Senecal, D. R. Pugh was named Acting Police Chief, beginning July 1, at which time Mr. Senecal's resignation becomes effective.

"This is a personal matter," said Mr. Senecal in a private interview. "My wife and I have come to the conclusion that our family would be better off for me to seek employment on the coast."

Previously purchased a home in South Bay while employed by the Palm Beach County Sheriff's Department, Mr. Senecal accepted the appointment as Police Chief in South Bay in February of this year.

The commission instructed City Attorney Claude Jones to prepare a formal resolution accepting the low bid of \$28,080.00 for a GMC Diesel chassis with Hercules Galion 3-2 Truck Body garbage truck of 20 yard capacity and 1560 hp. under a five year lease contract for garbage pick-up by a private contractor expires on September 30, 1968. Included with the equipment are 21 containers for use at places of business having a large amount of garbage.

A letter from the U.S. Department of Housing and Urban Development was read inviting the commission to send a delegation to Atlanta for the purpose of discussing a formal application for funds to develop a satisfactory system of storm drainage and sewer disposal for the city. Mayor Cooper and Axon to accompany a delegation to Atlanta for this purpose.

The installation of two street lights on Northwest 9th Street by Florida Power and Light Company was authorized on the request of Mrs. Juanita Wilson who lives in the unlighted block.

On recommendation of the Civil Service Board, Frank Simons was appointed to the position of patrolman in the police department. Two other applicants who had passed the civil service examination are to be advised that their applications will be held for future vacancies.

A plan of gigantic proportions engineered by one of the many antipoverty programs and financed by the Office of Economic Opportunity was uncovered this past week. The Tampa Tribune in a story on June 23rd reported the organization of Migrant Legal Service, Inc., at St. Petersburg, Fla., and the receiving of a grant of \$808,099 with the announced purpose of providing free legal services to migrant laborers in a fourteen county area of South Florida.

This organization headed by a former University of Tampa professor who has often attracted controversy, was unique in the speed of approval by Washington and the lack of knowledge by bar association and state officials of its planning. It was said that only 35 days elapsed from its submission to being granted, almost unheard of in the usual red tape of Federal operation.

This huge give away of the Great Society promises to create six regional offices

in the above 14 counties headed by lawyers with staff investigators and clerks with salaries ranging from \$7,000 to \$20,000 annually. Interesting is the fact that the home office is listed as St. Petersburg, which has no migrant laborers.

Congressman Sam Gibbons of Hillsborough County one of the sponsors of the anti-poverty bill in Congress expressed surprise at the size of the grant and indicated that he had not been advised of its plan. Actually the grant was made to Community Action Fund, Inc.,

which in turn gave it to Migrant Legal Service, Inc. Further goals were explained by Howard L. Garrett an attorney of Tampa and listed as board chairman of the organization, as getting more migrants on the voting rolls. Creation of a new liberal voting bloc of some 50,000 persons from the ranks of migrants could result, it was reported.

A total staff of some 70 persons is planned with investigators roaming the agricultural areas in search of possible cases. The Florida Bar is strongly opposed to the creation of such groups without consultation and explanation. Florida has a Public Defender Law with each judicial district having such an office. In addition the Florida Bar and local bar affiliates provide a legal aid office in most of the larger counties.

Reports from Washington are that two investigators from the office of economic opportunity are on the scene checking this new organization. The bypassing of the state and Bar associations, the speed of the grant and its size has caused a demand to the Congressional delegation from Florida to investigate the motives behind this move. Apparently this type of activity by-passing the state and its executive offices is becoming quite common. These new programs of the Federal government directed at the economic situation of individual groups are creating a serious problem between state and Federal government.

In the report from Tampa, a Myrtle Walker of Belle Glade and an Edward Rogers of Riviera Beach were listed as board members.

Harry T. Vaughn, Sr. Appointed Agriculture Committee Chairman

Harry T. Vaughn, Sr., president of the U. S. Sugar Corp., Clewiston, has been appointed Agriculture Committee chairman of the influential Florida Council of 100.

The appointment was announced by G. T. Willey, vice president and general manager of the Martin Co., Orlando, and chairman of the statewide group which helps promote Florida industry, tourism education and development of natural resources.

Assisting Vaughn as vice chairman of the committee will be Sam A. Banks, general manager of the Lakeland Packing Co.

Other committee appointments announced by Willey include:

—M. Wellman, president of Wellman-Lord, Inc.

Lakeland, chairman, Air and Water Pollution Prevention; Floyd B. Bowen, chairman of the state road board, Tallahassee, vice chairman, Air and Water Pollution Prevention; Gerald H. Gould, president, Lehigh Acres, vice chairman, Lehigh Acres, chairman, Existing Industry Liaison; John D. Buchanan Jr., senior vice president, Prudential Insurance Co. of America, Jacksonville, vice chairman, Existing Industry Liaison; Frank M. Hubbard, chairman of the board, Hubbard Construction Co., Orlando, chairman, Education; Thomas F. Fleming Jr., vice chairman of the First National Bank, Miami, vice chairman, Education; Don Shoemaker, editor of the Miami Herald and L. Allen Morris, president, Allen Morris, president, Allen Morris.

is Co., both of Miami, chairman and vice chairman, respectively, Motion Picture and Television Industry; P. Scott Linder, president, Linder Industrial Machinery Co., vice chairman, New Industry.

(Continued On Page 18)

Glades Market 4th Highest In State

Receipts of cattle at the Glades Livestock Market for last week were fourth highest of the twenty markets in Florida as reported by Doyle Conner, Commissioner of Agriculture. The largest was Okeechobee with 2,194 head followed by Gainesville.

(Continued On Page 16)

Membership Tallied For PBC Schools

Membership in grades 1 through 12 of Palm Beach County's 87 schools totaled 54,850 for the 9th and final year of the 1968 school year, it is announced by county Superintendent Robert W. Fulton.

The fifth month was the "peak" period of the school year with a total membership of 56,491 students recorded.

A breakdown of the ninth month totals shows that there were 31,238 students in the elementary schools (grades 1-6); 13,699 in the Junior High Schools (grades 7-9), and 8,943 in the Senior High Schools (grades 10-12).

Rep. Roberts Attends Caucus

St. Augustine site of the latest session in the United States, was the scene this week of the Democratic Caucus of the House and Senate of the Florida Legislature.

Displaying unusual unanimity in the activities of the Democratic nominees elected a new speaker of the House of Representatives, Representative Ralph Turlington of Gainesville, who was voted the most outstanding member of the House of Representatives in the 1965 session.

The Senate elected Senator Verle Pope of St. Augustine as President for the 1967 session. Pope, for years a real warhorse who fought the battle of urban areas, although coming from a medium size county, predicted that the legislature would move to solve Florida's pressing problems by taking a more aggressive action rather than doing piecemeal approaches.

Turlington, a Florida University of Florida professor, has served in the legislature since 1951 and is one of Florida's most respected lawmakers.

Rep. Roberts pointed out that both of these men are of good knowledge of the Glades area and are considered friendly to our problems. "I feel," Roberts said, "that we are very fortunate to have these persons at this time serving in these important leadership positions in the coming two year period."

Roberts who is chairman of the Legislature Council's committee on Personnel and Retirement, presided over the committee meeting Monday afternoon. Sub-committee on Personnel was also in session during the day.

Those wishing to use the boats over the weekend have only until 5 p. m. Friday, July 1 to register. Engineers for their approval of a Lakeside park. Plans were approved but funds were not available for the City to complete the project. The County was approached for aid, "but it took some time and some doing" to get a promise of assistance from them. Finally, it looked like smooth sailing from that point. Plans don't mean action, however," Craig said. "A number of changes in City officials and City employees and the fact that they were faced with bigger and more pressing problems. They had to have pushed the 'Park Project' into the background."

5% Earnings On Certificates Set By F&SL

Mr. Richard A. Poston, President of Everglades Federal Savings and Loan Association of Belle Glade, announced that there will be increased earnings on Certificate Savings Accounts effective July 1, 1968.

The new initiative dividend on certificates savings accounts will be 5 percent on account opened for a minimum of \$1,000.00 or multiples thereof and held in the office of the Association for a period of twelve months. Regular pass book savings accounts will continue to earn at the current rate of 4 1/2 percent annually and compounded quarterly.

Funds received on or before the 11th of July will earn from the first of July at this new anticipated rate on certificate savings accounts.

There are boat ramps there but no access to them.

Why?

Why?

It's a good spot. It fills in long gaps in the Lake Okeechobee Fishing Camp string.

What has stopped the fulfillment of plans initiated some years ago?

South Bay Fishing Camp is on the map indicating it as a recreation area, but it isn't a reality yet.

South Bay Fishing Camp.... "Where Is It??"

South Bay Fishing Camp is on the map indicating it as a recreation area, but it isn't a reality yet.

Why?

Why?

It's a good spot. It fills in long gaps in the Lake Okeechobee Fishing Camp string.

What has stopped the fulfillment of plans initiated some years ago?

Many honest, serious attempts by City and County officials as well as Federal, to fulfill the dream have been made; efforts have met with numerous frustrating heartbreaking stumbling blocks, Craig said.

The Game and Fish Commission put in the Boat Ramps and the Park again because of a series of problems. The County started the access road over the dike, but numerous demands for more important, badly needed road work, slowed them down. The road reached the top of the dike and the County Engineers were met by the U. S. Corp of Engineers and the fact that the road was being built did not agree with plans as originally approved.

Now with the U. S. Corp of Engineers for their approval of a Lakeside park. Plans were approved but funds were not available for the City to complete the project. The County was approached for aid, "but it took some time and some doing" to get a promise of assistance from them. Finally, it looked like smooth sailing from that point. Plans don't mean action, however," Craig said. "A number of changes in City officials and City employees and the fact that they were faced with bigger and more pressing problems. They had to have pushed the 'Park Project' into the background."

At this point the U. S. Corp of Engineers put up a barrier across the access road to protect a project in which a great deal of federal funds had been sunk. Citizens were angry and broke the barrier on a number of occasions. This project has new and sincere friends, Craig said.

"Our Fishing Camp has been long awaited, as the traffic light at the intersection of routes 27 and 80, which is a reality," he concluded.

Luther Jones Realtor Business Will Be Continued By Geo. Young

With the death of Luther Jones Tuesday, June 7, 1968, we lost not only our friend but our most valued counselor, with whom we associate Young and Verda Mathewson, served as associates in the long established office of Luther Jones Realtor.

Mrs. Mathewson has served as Associate since obtaining her salesman's license while continuing as editor of the Belle Glade Herald. Under the tutelage of Mr. Jones, she has had intensive training in sales and appraisal work.

George Young, became associated with Mr. Jones when he obtained his real estate license and continued with him after obtaining his Broker's license in 1960. Though maintaining his independent brokers license, he has worked with Mr. Jones as an associate since April, 1964, on a full time basis.

George Young has had three intensive appraisal courses, including two qual-

People Need Land

This weekend a virtual army of outdoor lovers will take to the country side in search of camping areas to escape the disease known as urbanitis in a world surrounded by concrete and steel. Thousands of south Floridians are packing camping equipment and making plans to spend the long July 4th weekend in either a state park or some place offering facilities for outdoor recreation preferably near a body of water.

The Belle Glade Marina, already one of the finest outdoor areas in the state is on the verge of becoming outstanding in the facilities offered the public. The citizens of this area can take pride in the continuing improvement of the grounds and the additional area being provided.

Even as we take satisfaction in rehabilitating the land for use by the public, it is a fact that America is beginning to waste even its wastelands. It is finally beginning to register upon the American public that the land is not indestructible and that proper conservation practices must be increased.

Too few of us today look to the future particularly ten, twenty years or more ahead. We live for today and hope the future will take care of itself. There is nothing more important today than the proper utilization of the land and as we watch the many sunlight seekers from the city visit our marina this July 4th, we are thankful to those who have had the vision to look and plan for the future.

Independence Day 1966

The Fourth of July falls on Monday this year. That means another long weekend of fun and recreation. But this year to a greater degree than in many years, we should pause to reflect on the true meaning of the Fourth of July. There are thousands of families across the land who face a sober Fourth. Their sons and husbands are in Viet Nam because as a nation, we are dedicated to the document which the Fourth of July commemorates.

That document is our Declaration of Independence from Great Britain, adopted by the Continental Congress on July 4, 1776. It signifies the birth of a nation and a degree of individual freedom that exists nowhere else on earth. So long as the Declaration of Independence endures in the minds and hearts of American citizens, freedom will endure. So, with due humility and reverence, enjoy yourself on this Fourth of July, in the year 1966.

Uncle Dan From Doolie Says:

DEAR MISTER EDITOR:

They was a full attendance at the session at the country store Saturday night. Even Zeke Grubb's preacher come by and set for a spell.

The good Parson reported automation had now got over into religion. He told the fellers they was getting "drive-in churches" in some of the big cities and he had saw where some preachers was holding a "golfer's special" at 7 o'clock Sunday morning for them that had to git on the golf course early. But he was of the opinion the real job of the church would always jave to be done by people.

Bug Hookum warned the Parson not to be too shore about this matter, said he had heard they saw got computers that can pick out the right bride for a feller, figger the percentage of people that was left-handed, red-headed, been married three times and walked in their sleep. Confidential, Mister Editor, Bug always adds a little to everything he hears.

Ed Doolittle reported he didn't know how they git such fingers but he had saw where a labor union made a survey and found the average man is now working till 10:36 ever morning to earn enough money to pay his taxes. They claimed he was only working till 9:45 in 1962. That's a hike of 51 minutes in four year and Ed alowed as he had Landon don raised taxes it'll be around noon afore a feller can start working fer hisself.

Personal, Mister Editor, I ain't worryin' none about Landon raising taxes. I still got a calendar on the wall and that calendar tells me we got a election coming up in November.

Zeke Grubb said he wasn't worried none about taxes on account of he didn't pay much taxes, but he said these climbing prices had him shook up. He told the fellers he had saw in the papers where they had a \$5,000 bill on display at one of the state fairs and he was shore he had a slice of this bill's brother fer supper the other night if

the price per pound had any thing to do with it.

The good Parson butted into say on account of folks was gitting all them fringes from the Government, like Medicare, public parks, money to pay part of the rent and such things, we was living in the age of Santa Claus. He said he preached a sermon one Sunday about God not being dead and got no comment. The next Sunday, he said, he preached a sermon claiming Santa Claus was dead and the whole congregation complained, said he was ruining the young'uns.

The good Parson, Mister Editor, adds a heap of fine thinking to the sessions at the country store.

Yours truly,
Uncle Dan

At twenty a man thinks he can save the world; at thirty he's tickled if he can save part of his salary.

We Salute, Pay Tribute To Glades Pioneers

July 4, 1919
On
Torry Island

How many can YOU identify? Positive identification is established by Mrs. Gertrude Winne (second from left) one of the earliest residents in the area, who came in January of 1912, and resides on NW Avenue L, Belle Glade today. Others spotted by an "old-timer" are Mr. and Mrs. Philip Lee, Mr. and Mrs. Will Bea Der and daughters, Esther and Elizabeth; Captain Ed King, a Davis family from "East Beach" which is now Pahokee; A. Cromartie and his son A. Junior, Roscoe Braddock, Felix Braddock and their father, Henry. This Independence Day celebration was reportedly headquartered in Reed Bryant's packing house. The group gathered at 10 a. m., played tag games horse-shoe, enjoyed a big lunch, and in the afternoon had an ice cream social and watermelon feast. Any disputes on our report?

The Glades has made great strides since this photo was made, sometime prior to 1928 . . . tremendous improvements have been accomplished in so short a span of time. Yet there exists in the hearts of many a nostalgia for the "Old time 4th of July" when our country's Independence Day was observed with a community-wide patriotic celebration in every city, town and hamlet across our nation.

We recognize the complacency that has replaced early-day burning pride in Americanism . . . we feel the lack within ourselves of expressing the feelings instilled by our parents and grandparents to whom liberty held a real, vivid meaning.

Attempts are being made to recapture for ourselves and to instill in our young-people the magnitude of the meaning of Freedom while yet there is time.

The Bell Ringing ceremonies being held here and across the nation are symbolic of the feelings of true

Americans everywhere.

Today, our country still has a choice and it has already begun to make known that choice. Evidence everywhere indicates an urgent need to go back to our old beliefs in such things as ideas, pride, patriotism, loyalty, devotion and even hard work.

We have become so well-to-do as a nation that we have a guilt complex about it. Conformity is sweeping the country and fewer are asking daily "What can I do for my country?" rather than "What can my country do for me?"

The road back will not be an easy one and will require courage and doing . . . the kind displayed by the great leaders of our country in "the early days."

LET FREEDOM'S BELLS RING . . . and may every heart in America be touched by their vibrant message.

May the precious freedom that is our be guarded, protected and supported while yet there is time.

Can We Wave The Flag Too Much?

Is it possible to wave the flag too much? Provided, of course, that you wave it with integrity? Is it possible to study Lincoln or Shakespeare too much? Is it possible to read the Bible too much? The great, the good, the true, are inexhaustible for inspiration, example and strength. I believe that we are not waving our flag enough, not nearly enough.

It seems to me that we are developing a tendency to be timid or even apologetic about waving the stars and stripes. Walk up and down the streets on July 4th and count the flags. It is our nation's birthday, a sacred day in world history, the most important day of America. Why isn't the flag flying on every rooftop and from every home and building? This complacent attitude is strong evidence of cancerous patriotic decay. The flag is a symbol of our national unity. It is the spirit of our undying devotion to our country. It stands for the best that is in us . . . for loyalty, character, and faith in democracy.

Isn't our flag a synonym of the United States of America? Does it not represent man's greatest, noblest, most sublime dream? Is it not the zenith of achievement, the goal to which generations have aspired? Ladies and gentlemen, I believe it is time for us . . . for the mad, rushing Twentieth Century American . . . to stop for a moment and think. Let us arrest our near reverential admiration of material success and return to the spiritual and ethical values. Let us imbue and rekindle in ourselves and our children the so-called old-fashioned way of patriotism, a burning devotion to the principles and ideals upon which our country was founded.

Should not every home own and proudly display the colors on holidays and other such occasions? Isn't the flag Patrick Henry, Jefferson, Franklin, Washington, Nathan Hale, Gettysburg and Valley Forge, Paul Revere, Jackson and other great men and women who have given us our heritage. When you look at the flag can't you see the Alamo, Corregidor, Pearl Harbor, The Monitor, The Merrimack, Wake Island, and Korea? Let us forget, isn't the flag Flanders Field, Bataan, Iwo Jima, Normandy, Babe Ruth and Davy Crockett? The great events of our past and present are wrapped up in our flag.

It is a symbol of this blessed nation, a giant in industry, education and commerce. Millions of fertile, square miles, wheatlands, coal mines, steel plants. Our great republic, the chosen infant destined to be man's last and remaining hope for suffering humanity, a shining beacon of light, noble and glorious, the haven for the oppressed and persecuted and truly God's gift to mankind.

That is what the flag means to me. Can we wave it too much? I don't think so.

Vows Exchanged Saturday

MR. AND MRS. ROBERT WELTY

In a 7:30 P. M. candle-light ceremony Saturday, June 25, at the Canal Point Baptist Church, Miss Anita Louise Peacock became the bride of Robert L. Welty.

The Reverend Lawrence Stewart performed the ceremony before an archway of candelabras, potted palms and yellow and white pom-poms.

The bride is the daughter of Mr. and Mrs. Earl D. Welty, 1549 N. Canal St., Belle Glade. He graduated from Belle Glade High School in 1942 and is presently employed by Winn-Dixie Stores, Inc., Belle Glade.

Given in marriage by her father, the bride wore a chantilly lace over tulle dress, fashioned with a fitted bodice, scalloped neckline and long wrist point sleeves. Her elbow length veil of silk illusion was attached to a crown of lace and pearls. She carried a cascade bouquet of French carnations, with pearl leaves and smilax.

Miss Verlon Jones, maid of honor, wore a floor length dress of peacock blue organza over satin featuring an empire waist with a bow and satin streamers at the back. Her off the face veil was attached to a matching pillbox and she carried a cascade of Shasta daisies and pom-poms.

Other attendants were Miss Paula Gail Bryant, Mrs. Peggy Harris, Miss Davene Watson, Jackie Parris and Mia Parris were flower girls. David Stewart was ringbearer and Scott Parris was train bearer.

Johnny Out served as best man. Ushers were Jerry and Terry Peacock, brothers of the bride and Kenneth Welty, brother of the groom.

For her daughter's wedding Mrs. Peacock wore a pink lace sheath with pink accessories. Mrs. Welty, mother of the groom wore a pink lace dress with white accessories. Both wore corsages of pink sweetheart roses.

The reception was held in the social hall of the church, with Mrs. Charles Brown, reception director, assisted by Mrs. Glenn Chas. Maxson, Mrs. Minn Levin was the wedding director.

It was announced the next social would be July 17th at the Marina when the members of the chapter and their families will be invited for a pot-luck picnic supper.

Mr. and Mrs. L. D. Hewitt have sold their home at 554 S. E. 5th St., and are moving back to Panama City, Mr. Hewitt who was employed by the Federal Aviation Agency office at the Panama City Airport has been transferred. The Hewitts have been residing in Belle Glade for almost five years and regret leaving. They have both enthusiastic fishermen and caught their share during their residence here.

Mr. and Mrs. W. A. Ford of Miami have purchased the Western Auto Business in Pahokee and will be moving to the area shortly.

Mr. and Mrs. Harold Rabin have gone to Charleston, Missouri for the operation season. Their daughter Linda is staying with her sister, Mrs. Arthur Levy in West Palm Beach, and Marilyn is in Pittsburg visiting her aunt.

Mr. and Mrs. Harold Rabin have gone to Charleston, Missouri for the operation season. Their daughter Linda is staying with her sister, Mrs. Arthur Levy in West Palm Beach, and Marilyn is in Pittsburg visiting her aunt.

Belle Rebekah Lodge Hosts District No. 21

Belle Rebekah Lodge No. 21 held its last meeting for the summer with a pot-luck supper. Forty members from the West Palm Beach and Lake Worth lodges were guests.

Ruth Mock, Noble Grand, presided and opened the meeting.

The honored guests were Thelma Dawson, District Deputy President of District No. 21, Marie Kermis, Past President of the Rebekah State Assembly. Other honored guests introduced were Maude Byers, Annie Curtis, Jean Sheppard, Mr. J. C. Dawson, Mr. S. Sheppard.

After all business was taken care of the gavel was turned over to the District President for the District meeting at which time the election of District officers was conducted for the coming year.

Elected were: Thelma Dawson, President; Dorothy Rogers, Vice-President; Myrtle Franklin, Warden; Bela Cramer, Marshal; Alice Nelma, conductor; Lorraine McFargart, Guardian; Maye Kerman, Secretary; Minnie Curley, treasurer; Reba Seith, Musician.

The meeting closed, with wishing everyone a happy summer.

Dr. and Mrs. R. V. Creech, Jr., and family spent the weekend at Fort Myers Beach with their parents, Mr. and Mrs. R. V. Creech. They reported Mrs. (Ida) Creech is doing well after recently returning from Oshner Clinic at New Orleans.

Belle Glade Personal Notes

Mr. and Mrs. Jack Whitlock and children are visiting their brother, Boyd Koffman and family in St. Louis, Missouri. They will come back by Mr. and Mrs. Lucien Koffman's home in Oak Ridge, Tenn., for the 4th of July enroute to Hendersonville, N. C., where Mrs. Whitlock will work with the A & P Produce division during the rest of the season. Mr. Whitlock and children Pamela and Stan will return to Belle Glade.

Mr. and Mrs. James Koffman will leave Friday to visit his brother and sister-in-law, Mr. and Mrs. Lucien Koffman in Oak Ridge, Tenn., where they recently their guests in Belle Glade. After July 4, Mrs. Koffman will spend most of their 10 day vacation with her sister in Nashville, Tennessee. She has just been released from the hospital.

Steve Halbrook has returned home after visiting several days in the home of Miss Marsha Quarterman in Jacksonville.

Mr. and Mrs. Jessie James and family have returned to their home in Mundell, Illinois, after attending the wedding of her daughter Sherry Hill to Thomas Dean.

Miss Vida Haidée, teacher at Belle Glade High School, is spending the summer at her home in Trenton, Fla.

Miss Kathleen Rogers is vacationing from her school duties at Lakeland with her mother.

Mrs. John D. Chamblie is visiting her parents, Mr. and Mrs. W. H. Smith in Lexington, Mississippi.

Married In St. Philip Church

MR. AND MRS. F. FIGUEROA

Miss Jeanie Elizabeth Morse became the bride of Faustina Figueroa Saturday, June 25 at St. Philip Beniz Catholic Church.

Cousin Juanita officiated at the double-ring ceremony before an altar decorated with baskets of white flowers. The bride was escorted by a potted palms and candelabras.

Nuptial music was played by Mrs. Louise Bernard. The bride is the daughter of Mr. and Mrs. Arthur G. Morse of Norway, Maine. She was educated in Norway Schools and is a 1964 graduate of Central Maine General Hospital School of Nursing, Lewiston, Maine.

The bridegroom is the son of Mr. and Mrs. Ventura Figueroa, Belle Glade. He received his education in Jayuya, Puerto Rico and Dover, Florida Schools and

frock with white lace border. She carried a basket of rose petals.

Nestor Ramos served as best man. Ushers were Rudolph Dykes and David Binkley.

The bride-groom's mother, Mrs. Figueroa wore a pink lace two piece outfit with white accessories and a corsage of white sweetheart roses.

Following the ceremony the reception was held in the parish hall. Assistants were Mrs. Rudy Dykes, serving cake, Miss Susie Smith and Miss Sonia Antonmarchi, punch. Miss Laura Gurep kept the bride's book and Miss Beverly Potter, the gifts. The tables were covered with white cloths, and held a centerpiece of white wedding bells and silver birds of paradise on a white base.

Guests were present from Clewiston, West Palm Beach Lake Worth, Belle Glade and South Bay.

After a wedding trip to the home of the bride in Maine, the couple will be at home after July 10 at 418 SW 3rd St., Belle Glade.

MR. AND MRS. THOMAS L. DEAN

Howard Lamb Photo

Married In Episcopal Church

Miss Sherry Dianne Hill became the bride of Thomas Leon Dean in a 12 o'clock ceremony on June 18 at St. John's Episcopal Church. Father Paul L. Thompson performed the double ring ceremony before an altar flanked by two vases of gladiolus and two seven tier candelabras.

Mrs. James Williams played traditional wedding music and Miss Teresa Wilder was soloist.

The bride is the daughter of Mrs. M. B. James, Mundell, Ill., and Mr. W. P. Hill, Jr., Belle Glade. She graduated from Belle High School in 1965 and University of the Palm Beach.

The bridegroom son of Mr. and Mrs. Carl J. Dean of Belle Glade, attended Belle Glade High School and is presently employed by Parrish Bros.

Given in marriage by her father, the bride wore a floor-length gown of silk crepe. The bodice featured a scoop neckline, three-quarter length sleeves and was trimmed in Alencon lace and pearls. The skirt was belted and was fashioned with detachable train.

French illusion fell from a headpiece of Alencon lace and pearls. She carried a bouquet of carnations with pearls and hearts.

Miss Dawn Hill was her sister's maid of honor in a Spire. Miss Pam Ingram, blue dress of emossed taffeta with rounded neck, sleeveless and an empire waistline. She carried a bouquet of yellow daisies.

Mr. Carl J. Dean served his son as best man. Ushers were Eddie Nestor and Shorty Grannas of Pahokee.

The bride's mother was attired in a light blue sheath of chiffon over crepe with a carnation corsage. Mrs. Dean, mother of the bride groom wore a three piece shocking pink suit with a lace blouse and carnation corsage.

The reception followed the ceremony at the home of Dr. and Mrs. Clarence Kidder, uncle and aunt of the bride. Assisting were Mrs. Clarence Kidder, Mrs. Ethel Imes, Mrs. George Powner, Miss Janis Kidder, Mrs. Irene Mullis. The table was graced with a centerpiece arrangement of Candelabras with fern and pink and lavender flowers. The three Roemer were hostesses at the tiered cake was decorated with roses and doves and a June 25 for Miss Marilyn miniature bride and groom. Matthews' whose wedding pre-will be on August 20.

The hostesses presented were Mrs. and Mrs. Henry Rafferty, Miami, the bride-to-be and her George Powner and Rhon-mother, Mrs. W. D. Mat-da, West Palm Beach; and Mrs. Winston Dean Mrs. Usher given to the honoree was a Sunbeam mixer.

Those attending the luncheon held at the home of Mrs. Poston were the Misses Kay Gilbert, Anna Marie LaChance and Margo Averill, and the Mesdames Junior Collins, Jon Mann, Barbara Smith and her daughters Cindy all of Belle Glade and Mr. Robert Beane of West Palm Beach.

Iota Epsilon Chapter Goes Drift Fishing!!

Six members of Iota Epsilon Chapter of Beta Sigma Psi Sorority and their husbands went drift fishing on Saturday, June 25, aboard the Blue Sea II, docked at Riviera Beach at 7 p.m.

After a nice slightly choppy ride out of the inlet, the fishing began. Out of the five who were fishing, (the rest were seasick) there were three catches. James Chamblie hooked a red snapper, Pat McKee landed a bigger snapper and Billy Cowart was the holder of a nice sized Dolphin.

Since the majority of the fishermen had catfish, the others were successful in getting the trip cut short and on to dry land. Everyone recovered from their seasickness amazingly fast and enjoyed a late supper.

Those enjoying the outing and those who didn't were: Mr. and Mrs. Terry Kirchman, Mr. and Mrs. James Chamblie, Mr. and Mrs. Billy Cowart, Mr. and Mrs. Buck Jones, Mr. and Mrs. Ronnie Kirchman and Mr. and Mrs. Jerry McKee.

Mrs. Orsenigo Returns From Costa Rica

Mrs. Joe Orsenigo and family returned from Costa Rica on June 20 from an enjoyable vacation trip. They accompanied Dr. Orsenigo, associate horticulturist at the Everglades Experiment Station to Costa Rica around the first of June, where he is spending the whole month in connection with his work. Enroute they stopped over in Guatemala to visit friends. The family flew to Panama the weekend of June 18 and 19, with Dr. Orsenigo flying back to Costa Rica and the family flying to Florida.

Mr. and Mrs. Wayne Trego and children, Steven and Susanne, arrived here two weeks ago from Florence, Ky. They are presently residing in South Bay but plan to move to Belle Glade. Mr. Trego will be the Industrial Arts Instructor at Belle Glade High School.

Dr. and Mrs. Vic Green, former residents of Belle Glade, now in Costa Rica, said to tell all of their friends hello.

Miss Martha Frances Koffman is a guest of her uncle and aunt, in Trenton, Tennessee, and plans to visit her brother and sister-in-law, Mr. and Mrs. Boyd Koffman, and Mrs. Mary Ann, before returning home in August.

Mr. and Mrs. Wayne Trego and children, Steven and Susanne, arrived here two weeks ago from Florence, Ky. They are presently residing in South Bay but plan to move to Belle Glade. Mr. Trego will be the Industrial Arts Instructor at Belle Glade High School.

Xi Beta Gamma Chapter Enjoys Informal Coffee

With summer having made its official debut on June 21st, Xi Beta Gamma Chapter held its first social of the summer on Wednesday, June 22nd, with an informal coffee at the home of Mrs. J. Eddie Jones at 200 N. W. Ave. 1.

Coffee and sweet rolls were served by the hostess from a table centered with a lovely rose arrangement to the following members: Mrs. Frank C. Anderson, Mrs. Wm. Burke, Mrs. Chas. Burkett, Mrs. Francis W. Cross, Jr., Mrs. Bob Davis, Mrs. Wm. Graber, Mrs. Louise Kirchman, Mrs. Earl Lind, Mrs. Hester Ouellette, and Mrs. Wm. Rhodes.

De Interes Para Belle Glade

HIGHWAY 441

El tramo de 14-millas de la carretera US 441 o SR 15, entre Canal Point, Pahokee, Belle Glade, que se halla en mal estado, va a ser reparado finalmente.

El State Road Department ya ha aceptado la oferta de la Weekley Asphalt Co. de Hallandale, para ocuparse de este trabajo. Y todos los residentes locales tienen grandes esperanzas de que muy pronto sea recubierto su superficie.

Desde el pasado miercoles la piscina municipal de Belle Glade ha quedado abierta al publico, y mas de 300 niños han gozado de las facilidades de natacion. Cuentan con unos muchachos salvavidas.

Es abierta a las 9 de la mañana hasta el mediodia. Y desde la una de la tarde hasta las 5 pm.

En horas de la noche, de 7 a 9 pm, estara abierta los martes y jueves. Ayer, miercoles estaban señaladas para comenzar las clases de natacion. Los niños debian haberse matriculado desde el pasado lunes.

Si encuentran bastante interes de parte de adultos y niños, habrán competencias de natacion los Viernes, comenzando desde mañana viernes.

Preparándose para las clases de Laboratorio Marino, del Florida Atlantic University, el laboratorio submarino en forma cilindrica, de 25 toneladas 14 pies de largo por ocho en diametro. Se espera tenerlo listo para bautizarlo el día 10 de Julio en el Puerto de Palm Beach.

A este aula submarina tienen que llegar los estudiantes de la FAU en un pequeño submarino que caben cuatro hombres.

Los días 2, 3 y 4 de Julio, los Veteranos del Rodeo competirán en el evento anual del Circle T Rodeo, que tendra lugar esos días en INDIANTOWN. Tendrán barbecue (Bar-B-Q) el día entero a \$1.50.

La entrada: adultos \$2. Niños \$1. Parqueo gratis. Y el lunes por la noche habrá Fuegos Artificiales Gigantes, en el Indiantown Marina, celebrando el 4th of July, Fiesta de Independencia Americana.

Los jinetes del Circle T Ranch están haciendo el round-up de los potros salvajes que no han sido montados durante todo el año, y algunos nunca han sido montados.

Indiantown queda a 35 millas nor-este de West Palm Beach, en el Bee Line Highway.

De los 39 visitantes extranjeros que hicieron un "tour" por el Glades la pasada semana para estudiar la tecnología de fertilizantes, se hallaban miembros del Brazil, de la India, de Kenya, de Venezuela, de Egipto, y de Turquia.

Han tenido cuatro meses de visita por la nacion que terminarán el día 2 de Julio visitando la capital.

La pasada semana de la Delegacion Cubana de Atletas que asistio a los juegos olimpicos en Puerto Rico, despertaron tres muchachos Cubanos, quienes tomaron asilo en los Estados Unidos: Hector Rodriguez, de 22 años, perteneciente al Cuban track team.

Francisco Marti Gonzalez, de 20 años, nadador.

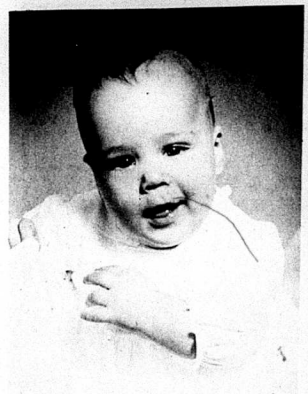

Y la muchacha atleta Marina Samules. Los cuales forman un total de cuatro, contando al joven luchador de 18 años, Juan Pablo Vega Romero, a quien se le dio asilo en Junio 13, 1966.

El Arzobispo de Santiago de Cuba, Monseñor Enrique Perez Serantes, de 62 años de edad, por encontrarse en delicada salud, se ha trasladado a España para convalecer en ese país, a donde llego recientemente en un avion Espanol que tambien transporto un grupo de refugiados Cubanos a Madrid.

Ahora que es la temporada de vacaciones, tambien es la temporada de las serpientes, y aquellas personas que pasan sus vacaciones en el campo, deben tener esto presente.

Aquí les presentamos precauciones simples para evitar peligro: Usar botas o pantalones en los bosques o campos. Usar pantalones largos por fuera de las botas. Usar mosquitero calzandolo bajo su colchon. Llevar una cajita de primeros auxilios contra la mordida de serpi-

Bautizo

Town and Country Shop Will Open Tomorrow

Opening of Fashion's Newest Address, THE TOWN AND COUNTRY SHOP located at 429 SE 2nd St., will be Friday, July 1st, according to Mrs. Virginia L. Anderson, co-owner with her sister-in-law Mrs. Helen A. Richardson.

Virginia states that they intend to carry a good line of clothing for the career girl and will also handle

Junior Petties. She states that their goal is to present exciting prices and exciting styles together with informality and friendliness. She added, "There is plenty of free parking space available at our front door."

Mrs. Pat Anderson DeVos, Lake Worth, daughter of Mrs. Anderson and well known former Miss Palm Beach (1964) and as director of the Patronettes, is assisting in the purchase of clothing for the younger group.

Mrs. Anderson states that she and Mrs. Richardson extend a cordial invitation to come in at any time, feel free to browse around in the air conditioned pleasing decor of the shop which has built in racks with 4 leaf clover design board trim, turquoise tinted walls, and paneled comfortable dressing rooms.

Declaration of Independence On Display

Patriotic citizens in the community may be interested in a large framed copy of the Declaration of Independence which is on display in one of the windows of the Home Hardware Store on Main St.

Also displayed near is a reprint of the new testament, translated by William Tyndale in 1534. This is in Old English type and is extremely interesting. To those interested, they may examine the Bible inside by asking one of the clerks.

DRIVE CAREFULLY DURING THE HOLIDAYS

He assisted the girls in getting on and off the bus with all their luggage.

FCP Predicts Farmers Credit Will Double In Next 10 Years

"Production Credit Associations in Florida Georgia, North Carolina and South Carolina, furnish over 47,000 growers, farmers and ranchers with more than \$350 million in short and intermediate-term credit" according to George H. Wedgworth, Vice President of the Farmers Production Credit Association.

Mr. Wedgworth, who has just returned from Atlanta, Ga., where he attended the annual conference of production credit association directors, general managers, and key personnel, said, "re ports indicate that volume this year will exceed \$370 million."

"Modern farming is requiring more credit to meet

increasing operating cost and to finance mechanization and other capital investments," Mr. Wedgworth said. "This will increase efficiency of farms and enhance opportunities of increasing net farm income."

Mr. Wedgworth predicted that the volume of short and intermediate credit used by farmers, growers and ranchers in the Carolinas, Georgia and Florida will likely double in the next 10 years. The demand for credit by all sectors of the economy is at unprecedented high levels, he pointed out.

"The Farmers Association served 318 farmers with loans totaling \$18,078,411 in 1965 in Dade, Broward, Palm Beach, St. Lucie, Mar-

tin, Indian River, Okeechobee, Collier and Monroe counties," Mr. Wedgworth added.

Other officials of the Farmers Association attending the conference included Harry B. Matthews, president, of Kendall, Walter Peterson, director, of Gould; Jefferson Davis, director, of Homestead; C. R. Sexton, director, of Vero Beach; and Chas. B. Long, Jr., general manager.

APPOINTED TO OFFICE at Rainbow Grand Assembly in Jacksonville, was left, Linda Rockwell, daughter of Mr. and Mrs. H. Beeks. She is shown arriving in Belle Glade by bus with Mrs. Jo Aspay, Mother Advisor. Linda was appointed to the Office of "Grand Love," which is one of the 23 offices held by Rainbows in the Grand Assembly State of Florida.

Luther Jones Memorial Room Will Be 30th At Hospital

Mrs. I. L. Price, Treasurer of the Ladies Auxiliary of the Glades General Hospital, states that the Auxiliary is daily receiving memorial gifts to the Luther Jones Memorial Fund, for the establishment of a Memorial Room in the Glades General Hospital.

been established at Glades General.

Brucellosis Elimination Near For PBC

Plans for the final stages of an eradication program to eliminate brucellosis from Florida cattle was explained by Dr. Andy Clark, veterinarian and District Supervisor for USDA, Animal Disease Eradication Program in Florida, at a meeting of the Palm Beach County Cattlemen's Association in the Mounts Building Friday night, June 20. He was assisted by Dr. E. C. Thornton, Division Supervisor for the Florida Department of Agriculture.

As late as 1936 some Florida dairy herds were 90 percent infected with brucellosis but with careful management this destructive disease has been reduced to an incidence of less than 5 percent and many herds are entirely free of infection at this time.

The next step, which is hoped to be reached within two years is for Palm Beach County to be certified as a Modified Brucellosis Free Area which will be done when less than one percent of the cattle in less than five percent of the herds are known to carry infection. Under this certification herds will be tested each three years until the area can be certified as Brucellosis Free.

In order to aid in the testing program a technical quarantine has been placed on the cattle in Palm Beach County and the county has been divided into fourteen sub-areas. A local veterinarian will do all the testing in each of the areas with Dr. Clarence Kidd and Dr. Howard Hill will do most of the taking of blood samples in the Glades.

Field laboratories have been set up in Fort Myers and Clewiston for infection determination in a district composed of Lee, Collier, Hendry and Palm Beach County. Until this stage of the program the laboratory work has been done in Jacksonville.

Association President, K. D. Eaton appointed local cattlemen Bill Hair, Bruce Biting and Robert Stokes as a Grievance Committee with whom cattlemen will take up matters they do not understand concerning the program.

Brucellosis or Bang's disease causes abortion in breeding herds and is known as undulant fever in humans and is destined to join malaria, small pox and other diseases which were so common in the past but are now practically unknown in America.

Jaycees Entertain Wives At Dinner

The Belle Glade Jaycees were hosts at a regular monthly dinner honoring their wives. Shown L-R seated are Laverne Alston, Mary Frances Cooper, Hoch Cooper, Bobbie Stephens, Mary Jane Jones, Sarah Nell Phillips, Sandy Bradstock, Wynne Lockhart, Standing, L-R, Luke Jones, Dave Spooner, Doug Jones, Philip Phillips, B. B. Bradstock, Mary Jane Jones and Sandy Bradstock cooked the 20 lb. delicious Beef roast and the other wives brought the trim-mings. Fifty-five enjoyed the dinner.

Care Urged For Florida Motorists

Colonel H. N. Kirkman, Director of the Department of Public Safety, issued this warning today to all motorists: "The Florida Highway Patrol predicts 17 persons will die in traffic crashes on Florida's streets and highways during the 78 hour 4th of July holiday period which starts 6 p. m., Friday, July 1 and extends until midnight Monday, July 4th. Remembering and practicing safe driving will lessen this awesome figure, so let's drive this prediction down and make it a 4th of July we'll all live to remember!"

Richard Barrett Is OCS Graduate

PORT SILL, OKLA. (AHTNC) — Richard E. Barrett, son of Mr. and Mrs. Rufus L. Barrett, 172 N. E. First St., Belle Glade, Fla., was commissioned a second lieutenant after graduating from the Officer Candidate School at the Army Artillery and Missile Center, Fort Sill, Okla., June 25.

Gunnery was the primary subject taught during the 23-week course, designed to prepare men for officer duties in field artillery

units. Lieutenant Barrett was also trained in artillery survey and transport, communications, map and aerial photo reading, electronics, counterinsurgency, and leadership. Raymond Plank and Mrs. R. L. Barrett flew by jet Friday evening to Ft. Sill to attend Richard's graduation, leaving immediately following the exercises for the drive back to Belle Glade in Richard's new car. Richard is home for two weeks vacation.

Keep Dry And Upright, Don't Overload The Boat

Thinking about taking
the gang fishing in your
outboard this weekend? Bet-
ter think twice.

Overloading a boat can
capsize it, cautions the
American Insurance Associa-
tion.

Most boat manufacturers
post an OBC (Outboard
Boating Club America)
capacity plate on each boat
showing the maximum rec-
ommended weight that the
craft can safely carry.

Each person aboard should
wear a life jacket — NOT
depend on the cushion-type

preservers that often float
out of reach. One never
knows when an accident will
occur and the boat will tip
over.

Girl Scout Camping Program At Welaka

The first camping session
for June will end July 2 at
Camp Welaka in the pro-
gram for Palm Glades Girl
Scout Council, Mrs. Jose-
phine Gallagher, executive
director, for the sprawling
council announced.

Three other two weeks
session are slated for the
1966 summer.

At the 640 acre establish-
ed camp at Welaka on the
Loxahatchee activities are
being directed by Mrs. Pat
Wolfe, assisted by Miss Caro-
lyn Graham. Both are for-
mer council members and
workers of volunteer stat-

UP! DOWN! AND HE'S STILL ON. This wild bronc, one of the Circle T Rodeo's
"Four-legged hurricanes" will try his best to unseat his next rider at the Inde-
pendence Day celebration Rodeo July 2, 3 and 4 in Indiantown. This first Sum-
mer Rodeo event will be part of a giant weekend celebration including fireworks,
a Kiwanis Bar-B-Q, and family picnics only thirty-five minutes from West
Palm Beach and two hours from Miami.

Seaport Trade For Florida Up 13% for Yea '65

With Florida's seaports
handling 17.2 millions tons
of imports and exports
worth \$742.9 last year, the
Florida State Chamber of
Commerce reports West
Palm Beach registered a
small drop in volume to 820,
200 tons and a 3 per cent
gain in value to \$33.3 mil-
lion.

Tampa, the state's largest
port, handled 8.1 million
tons of imports and exports
worth \$18.4 million, up 12
percent and one per cent re-
spectively.

Don't Fish After July 1 Without Renewed License

Florida wildlife officers
will begin a strict check for
fishing licenses on July 1,
and if you plan to go fish-
ing on or after this date, be
sure to have the new 1966-
67 license, otherwise you
may be subject to arrest for
fishing without a license.

According to O. E. Frye,
director, Game and Fresh
Water Fish Commission, the
new licenses have been on
sale since June 15 and are
being honored by wildlife of-
ficers throughout the state.
The new license is valid un-
til June 30, 1967, and avail-
able at the office of all
County Judges or their
license agents.

Frye said, "Buying a fish-
ing license is not so much a

matter of obeying a state
law as it is helping raise
money to provide better
fishing. All funds received
from the sale of licenses is
used by the Game and Fresh
Water Fish Commission to
improve hunting and fishing
conditions. One dollar from
the sale of each three dol-
lar fishing license is set a-
side in a fishing improve-
ment fund and can be used
only to improve the state's
fresh water fishing."

A resident fishing license
cost \$3.00, or a sportsman
may purchase a combina-
tion hunting and fishing li-
cense for \$10.50.

STRONG CHURCHES

Page 14 THE HERALD, Belle Glade, Fla. JUNE 30, 1966

Make STRONG COMMUNITIES

Methodist Vacation Church School Sharing Program Held Sunday

Kindergarten I-II Unit

These Kindergarten children are showing one of their finger plays "A Family" from the unit "God's Plan For Families." 1st row, L-R. Stephen Drummond, Marie Cranford, Tim Miner, Jeanette Jordan, Karla Bass, 2nd row, L-R. Bill Bussey, Michele Mathis, Monica Hooker, Monica Harris, Wesley Thompson, 3rd row, Nancy Creech, Dee Arnold, Judy Clayton, Mark Foster, Lori Betts, Tina Farnall, Peggy Carpenter, Denise Hooker.

Elementary I-II Unit

Shown is a number of the children in this group featuring Pantomime dramatization of "The Good Samaritan." They sang a song "Happy Differences." The theme was "The World of Differences."

Prayer for Peace

O Jesus Christ, Thou Prince of Peace, who hast by Thy blood won for us peace with God, enter into the hearts of men everywhere, and grant them a longing for peace with God and with one another. Bestow upon the leaders of nations the wisdom to pursue the paths of peace. Protect Thy children everywhere on land, on the sea, and in the air, as they devote their energies to the cause of peace.

Lutheran Church Services

In the absence of Rev. Richard Y. Roseman, who is on vacation, Mr. Dallas Nehls will be liturgist and Mr. Ed Duda will read the sermon at the Sunday morning service July 2, at St. Peter's Lutheran Church.

Elementary V-VI Unit

THE PUPPET THEATRE — These children presented their Puppets at the Vacation Church School Sharing Program, presented Sunday night at Community Methodist Church, Jameson Hall. L-R. Jackie Sims, Becky Smith, Allen Ann Smith, Cindy Roth, Kim Bass, Jamie Wootton, Ray Miner, Beth Bussey and Lou Livingston. David Goodlett was absent. Mrs. Robert Allen was working with this group.

House Blessing Held Sunday

The lovely new home of Mr. and Mrs. Barnes G. Smith, 1740 S. E. Avenue K, Place, was the scene of an open house and House Blessing Sunday afternoon at 2 o'clock by the Rev. Paul L. Thompson, vicar of St. John the Apostle Episcopal Church.

Following the blessing of the house a brief prayer was said.

Out of town guests included Mr. and Mrs. Harry Dunaway of Pompano Beach, parents of Mrs. Smith and other relatives, Mr. and Mrs. F. W. Cravey and daughter, Miss Claudia Cravey and Mrs. Steve Armstrong and son, Mark, and Mr. Ed Hahney, all of West Palm Beach.

Ministerial Assn. Cancels Meetings For Two Months

The Belle Glade Area Ministerial Association has agreed to not have meeting during the months of July and August, according to announcement by Rev. Richard Y. Roseman of St. Peter's Lutheran Church.

The ministerial group will resume meeting beginning on the second Wednesday in September.

Methodist Youth Activities

Four boys and girls, Janis Kidden, DeWayne Mackey, Tommy Deese and Jean Wolf left by bus chartered by the West Palm Beach District on Monday, June 27 for the Junior High Christian Adventure session at the Florida Conference Methodist Youth Camp of Leesburg. They will return on July 2.

DeWayne Mackey also attended a one-week Rustic Camp at the new South Florida Youth Camp at LaBelle which opened last year.

Four local MYFers are participating as junior counselors at Centenary Methodist Camp at Quincy, Fla. under the direction of Mrs. Grace Brinks, former educational assistant at Community Methodist Church, Belle Glade.

Kathryn Smith and Mary Leigh Amerine returned Saturday after two weeks at the camp and Leslie Co-wart and Kathy Morris will remain for the final two weeks of the camp sessions.

Magr. Jose M. Juaristi, administrator at St. Philip Benizi Parish announces during vacation time the Sunday Masses Schedule will change.

In Belle Glade, Masses during each Sunday in July will be at 7:00 A. M. and 10:30 A. M. On August 7 and August 17, masses will be at 7:00 A. M. and 10:30 A. M. and August 18 (Holy Day of Obligation) 7:00 A. M. and 8:30 P. M. The last two weeks in August on the 21 and 28 Masses will be at 7:00 A. M. and 10:30 A. M. In Pahokee all masses will be at 8:00 A. M. only on August 15, Holy day of Obligation) will be held at 7:00 A. M.

Gregg Jones and Dayle and Gayle Luce are attending summer school at Howey-in-The Hills.

The Community Methodist Vacation Church school held its sharing program last Sunday night with all the units participating. Mr. Lee Cranford led the hymns "My Father's World," "I'm Gonna Sing," and "In Christ There is No East or West." The children showed the units of work through songs finger plays, skits, and a puppet show, which are all pictured except one, the Elementary III, IV which had as their theme "Christian Community Around the World." They had a tableau of Mission in Africa.

Curtis Thompson, Jr., chairman commission of Education said the offering would go for the Childrens Service Projects: 1. Break thru - Children's TV Series and 2. Children's Fund for Christian Missions.

Rev. and Mrs. Richard Y. Roseman are visiting Mrs. Roseman's mother, Mrs. Winola Miserez of West Point, Nebraska. They expect to be gone two weeks of the camp sessions.

Sure Mercy

"I will give you the sure mercies of David." —Isiah 55:3

Do we sometimes expect too much of a merciful God? As Christians, we know that God is forgiving. We know that God is merciful. But, do we have the right to anticipate forgiveness? Do we not stand on unsure ground then plunge thoughtlessly into some wrong act or deed knowing that tomorrow we shall know regret; that we shall repent and call upon God to be merciful and to overlook our weakness?

When we knowingly do wrong, we turn our back on God for a moment or, at least, we think that we do. We cannot turn our backs to God, no more than we can turn our face away from the sky above.

We should remember always that judgement awaits; that God is merciful; yet God is just.

All Schools In County Accredited

Palm Beach County's 87 schools show a giant step in progress as measured by the yardstick of State Accreditation standards. "Every one of our schools is accredited," Superintendent Robert W. Fulton announced. "Only one school, Bryant, was placed under warning, and since the report was made, Bryant School has been phased out. With Bryant School no longer existing, we do not have even one school under warning."

The set of 1814 separate standards administered by the State Department of Education as a measure of achievement, as well as an incentive for progress toward improving the program of education for the students, rate each school in one of four classifications. These classifications are as follows:

1. Accredited.
2. Accredited - limited deficiencies.
3. Accredited - warned.
4. Non-accredited.

The results of the application of the standards to our schools this year give the following results:

1. 73 schools in the accredited classification.
2. Nine schools accredited - limited deficiencies.

3. Three schools, because of their special program for exceptional children - approved. The adopted standards do not apply for these special schools and the approved classification is a top rating in their case.)
4. One school's classification is pending the results of consideration by the State Accreditation Committee resulting from mechanical errors in the completion of data processing cards used in making the accreditation report.
5. One school - Accredited but warned. The accredited but warned school (Bryant) and one of the accredited with limited deficiencies schools (Loxahatchee) have been phased out in order to provide their students with the opportunity to attend a larger school with the resulting broader program.

Schools in the Glades Classified as Accredited with Limited Deficiencies are as follows:

Belle Glade Junior High — Slightly below required percentage in level 2 standards. Should be easily corrected next year. Construction of additional facilities started this week plus addition of ninth grade to school

will facilitate reaching full accreditation classification.

Belle Glade Jr. High — A contract of \$654,480 has been let to provide a library, administration suite, industrial arts room, cafeteria, music suite, drafting room and two additional classrooms.

Lake Harbor Elementary — Needs about 3 percent better compliance level 1 standards. Continued improvements should produce fully accredited status next year.

Pahokee Elementary — Deficiency in level 2 and level 3 standards should be corrected with new facilities under construction for occupancy next year. The \$700,000 new elementary school is in course of construction.

The following comparison with past years is indicative:

1. Accredited or approved 1964-65, 32; 1965-66, 57; 1966-67, 76.
2. Accredited with limited deficiencies, 1964-65, 25; 1965-66, 23; 1966-67, 9.
3. Accredited but warned 1964-65, 15; 1965-66, 3; 1966-67, 1.
4. Non-accredited 1964-65, 11; 1965-66, 5; 1966-67, 1.
5. Subject to adjustment because of error in completion of report.

The State Accreditation report combined with the accredited status for all senior high schools in the Southern Association of Colleges and Schools gives the county school system an excellent "report card" in both the state and national accreditation organizations.

The progress made in the accreditation standings of our schools reflects the provisions made by the electorate of Palm Beach County. Approval of the November, 1964 school building bond issue and approval of the recent millage recommendations of the Board of Public Instruction have provided means that are of paramount importance for this progress.

Improvements must be on a continuing basis. The requirements of both the State and Southern Association for an accredited status will be maintained next year. All schools of the county will be evaluated this fall in terms of the increased requirements and those which merely maintain the level of the past will receive a lower classification.

In our schools today, as in other aspects of our complex system to merely maintain a status quo result in actually falling behind. An objective for our school system must be that of continued progress toward providing a quality education program for all students.

Belle Glade Elem., 1965-66, Accredited; 1966-67 Accredited.

Belle Glade Jr. H., 1965-66, Accredited with limited deficiencies; 1966-67, Accredited with limited deficiencies.

Pahokee High, 1965-66, Accredited with limited deficiencies; 1966-67, Accredited.

South Bay, 1965-66, Accredited with limited deficiencies; 1966-67, Accredited.

Summer Band Program Underway

A group of students, taking part in Band instruction under the summer enrichment program are pictured above. The program is sponsored by the Board of Public Instruction. Sixty-five students are registered for the program under the direction of Fred Stevens. These students, preparing themselves for a spot in the Junior High School Band, are L-R: Leo Daniliev, Alice Lamb, Vicki Wall, Teresa Nelma, Phyllis Ciesse, Margie Stephens. Second Row: Red Foster, Bruce Walls, Roy Miner, Brian Cross, David Rogers, Lynn Brown, Melissa Halbrook, Susanne Motes, Sharon Moore.

Page 16 THE HERALD, Belle Glade, Fla. JUNE 30, 1968

Lions Awards Presented At Ladies Night Dinner

Master of ceremonies for the evening was Emmett Roberts who announced the winner of the annual Lion's Club award for the year, plaque, Lion Henry Earwood, who passed away several weeks ago. The award annually presented to the Lion who in the opinion of his fellow members contributed the most to his club and community during the year, is voted on in secret ballot.

Earwood a former president of the club was extremely active heading a safety committee to erect guard rail along the canals. The award will be given Mrs. Earwood at a regular meeting at a later date.

Diald at his home in Washington, D. C. Rep. Rogers answered questions on various topics being considered by the Congress, over a loud speaker system clearly heard by all present.

Harry T. Vaughn (Continued From Page 1)

Fred D. Learey, president, General Telephone Co., Tampa, chairman, New Industry; Sam W. Bishop, president, Electronic Communications, Inc., St. Petersburg, chairman, Oceanography; Dr. J. A. Boyd, president, chairman of the board, Florida Cypress Gardens Assn., Cypress Gardens, Gardens, chairman, Tourism and Mitchell Wolfson, president, Wometco Enterprises Inc., Miami, vice chairman, Tourism.

This program is being strongly supported by the Lions and is off to a good start.

Lion Dick Hodges, club president presided at his last official meeting of the year. He was presented his past presidents pin by Lion Roberts. Sticks were served by the Elks Lodge.

Lost Talent

With graduation exercises over for 1966 High School Seniors, what happens next? For many the question of how and where can I attend college is uppermost in their minds.

This brings up a problem which for many years has faced Florida. Is our state losing too many of its really outstanding students to out-of-state universities and colleges? If she is where do they go? Why do they seek advance education in other states?

In 1963 a survey was conducted among those 12th graders in Florida who had scored a total of 480 out of maximum of 485. This covered some 824 seniors out of a total of 70,000 12th graders. The survey showed that these students plan to attend some 118 institutions throughout the country. This includes 10 Florida colleges and universities, 11 Florida Junior colleges, 25 out-of-state southern institutions and 71 out of state

non-southern institutions.

The most significant fact in the survey showed that about 50 percent of those who plan to attend college will attend an out-of-state institution. Now remember these are the superior students we are talking about and once having gone out of state for their education very few ever return to their home, as job opportunities are more plentiful in northern areas.

The major reason given for attending out of state colleges is that a scholarship award has been given to over 50 percent. Less than 50 percent of those attending Florida schools have been given scholarships and almost 50 percent of these were given by private colleges.

The investigation shows very clearly what we must do if we are to retain the superior brain power the state is producing. We must build a scholarship program second to none if we are to hold our top students within the state. The Board of Regents now gives to the top students a certificate

identifying them as a Regents Scholar. This carries no money reward, and it is the feeling that the 1967 Legislature will appropriate funds to develop this start as a real scholarship effort to retain this last talent.

Glades Market (Continued From Page 1)

with 1,026, Wauchula with 967 and Belle Glade 939.

In 1955 and 56 the Glades Livestock Market was the largest in the state, but with the replacement of pasture with sugarcane in the Glades receipts dropped to an average of around 300 head per week. Improvement of prices and very favorable outlook for the next few years is resulting in increased local production of livestock with a corresponding increase in receipts at the local market.

Another large run of 759 head is reported by Pete Clemons, manager of the Glade Market, for Monday of this week, though this is 209 short of last week.

Planning for the Future.....

This young man, Andy Fontaine, pictured here with his mother, is making a big step in his young life. His future is assured with a savings account at the Bank of Belle Glade, which can be added to and grow right along with him. Andy's mother and father, Mr. & Mrs. Robert Fontaine are among our first customers.

SUMMER CHORES

Two chores which cannot be avoided during hot weather are mowing the lawn and shearing the hedge. Both jobs have to be tackled when the plant growth demands it.

Lawn grass allowed to grow too tall is likely to go to seed. Also, delayed cutting will leave a harmful layer of clippings that may shade the remaining leaves. Saved hedges which are allowed to become shaggy before being clipped must be pruned extensively. Therefore, large stems are cut and bare areas show on the hedge surface.

Births

June 18 — Mr. and Mrs. Robert Martin Gressinger (Mary Ellen Berta) of Belle Glade announce the birth of a son Joseph Martin at Everglades Memorial Hospital, Pahokee. Weight 6 lbs. 9 oz.

June 12 — Mr. and Mrs. Willis Warren (Nannette Acre) Apopka, announce the birth of a son Randy Keith, weight 7 lbs. 8 oz. Mr. and Mrs. Jack Warren of South Bay are the paternal grandparents.
